Marco Riz a 26-year-old Guatemalan illegal alien in RI was charged with robbery, kidnapping, and sexual assault in June of 2018.

Marco Riz “lied in wait” and selected his target to victimize in a Stop and Shop Plaza parking lot. Heather, the innocent victim, was sitting in her vehicle “idled” awaiting her mother’s return from shopping outside the entrance of the store.

Marco Riz jumped into Heather’s vehicle carjacked her, forcing her to drive to Roger Williams Park, where he proceeded to sexually assault her.

Marco Riz not only committed a vicious and violent crime, but methodically planned securing residency and employment through the most deceptive and maniacal ways.

Our immigration system has been broken for many years. It exists, exposed to breach by those with nefarious and self-serving intentions.

Marco Riz was quite clever at “breaching” a vulnerable immigration system in place.

Marco Riz was employed at Texas Roadhouse just up the road from the Stop and Shop Plaza. Riz used a fake “resident alien”, or “green card” to secure employment.

Marco Riz repeatedly demonstrated he is quite capable of getting what he wants through deceptive lawless methods. Riz demonstrated he will take what he wants when he wants as evident from the carjacking and sexual assault of an innocent woman.

We are faced with challenging times during the country’s height of immigration crisis. this is exacerbated by individuals like Mr. Riz. Now more than ever “vetting” immigrants must be heightened.

Mr. Riz is not only a disagreeable individual to be given citizenship, but also should not be paroled, given his blatant disregard for our laws and savage nature of his crimes.

Alliance for Safe Communities requests Marco Riz current parole status be denied.
